ABOUT ME

As a fresh Computer Science graduate, my academic journey has equipped me with a robust grounding in Artificial Intelligence, Machine Learning, Data Analysis, and Software Development. My proficiency in Python and Flutter is complemented by practical experience in Web Scraping and the development of Predictive Models. I possess strong leadership and communication skills, and excel in team environments. Additionally, I am adept at problem-solving and have a solid foundation in various technical domains including computer skills (Microsoft Office), programming languages (Python, Flutter, C++), networking (CCNA), operating systems (Windows), and database management (SQL, MySQL, Oracle). I am keen to bring my technical expertise and problem-solving skills to a vibrant, forward-thinking team. My passion lies in harnessing the power of technology to forge meaningful solutions, and I am committed to perpetual learning to remain at the forefront of industry advancements.

EDUCATION

2024   **BACHELOR**

Modern University of Technology and Information(MTI) | cairo

• **Fourth-year computer science student at mti university**
